## PROJECTS

**News App using Full Stack:** Built a tool to search for Hiring Managers and Recruiters using ReactJS, NodeJS, Firebase, and boolean queries. Over 25,000 people have used it so far, with 5,000+ queries being saved and shared, and search results even better than LinkedIn!

**Netflix Clone Web Application:** [Link to your project]

**Short Project Title:** Built a dance website for hosting events, made Notesibook using advanced concepts of React Native.

**Short Project Title:** Built a deep learning project using small neural networks.

## CERTIFICATIONS

**Responsive Web Design:** [Link to certification]

## VOLUNTEERING

Office Barrier for Students Chapter IEEE.
